1912 Dates J-BK

Egypt

13th Dynasty

A period of obscurity.

256SPC

5th & 6th Synodics - Eg y pt Cul.

The biennial cattle census was used for time reckoning And the years of the king's reign were numbered alternately as "The year of the first (second, third etc.) census" AND the year after the first (second, third etc.) census

still later the years of the reign were numbered straightforwardly.
